

ArtsXchange Hard Hat Celebration & Fundraiser

After two years consolidating its vision, rallying community support and raising funds, the Warehouse Arts District Association (WADA) has broken ground on the ArtsXchange, a 50,000 square foot facility that will create sustainable, affordable art studios and educational space in the greater St. Petersburg Midtown community!

The ArtsXchange will be an amazing resource for the city of St. Petersburg, for local artists, and for the community at large. Construction is under way and we want the community to witness this vision as it comes to life. On April 27, WADA invites the public to a “Hard Hat” reception and fundraiser featuring:

- Remarks by St. Petersburg Mayor Rick Kriseman
- Hard Hat tours of the construction site
- Cold Beer, wine, soda and water for a donation
- An exhibition by incoming ArtsXchange artists
- Live music
- Opportunity Tickets for amazing items

Thank you to our Amazing Sponsors!

Presenting Sponsor: Lance LLC

Gold Sponsor: Smith & Associates

Bronze Sponsor: Behar+Peteranecz Architecture | Interiors
